If you have a suggestion or idea, please contact Rich Aronson who is keeping the calendar (412-551-8319) or another Board member.

JCOP member Melissa Sanfilippo wants to make members aware of an event her garden club will be hosting in September. They hosted a fun, non-timed car rally in 2020, which included lunch and a party at Wilpen Hall, Sewickley's last gilded age estate. The event sold out with 50 cars. Last year their planned 2021 Rally was included in our JCOP "Non-JCOP Events for 2021" schedule but the rally was canceled due to Covid. This year's event is set for Saturday, Sept. 24 and Melissa is confident it will be a go. Like most of us, Missy says she is "hoping for an early spring and dry roads."

For more information about the event, JCOP members can contact her at: missysanf@gmail.com. The cost is \$250 which includes the rally tour, lunch, light dinner with beer/wine and a party at a historic estate in Sewickley Heights.

President's Perspective

By Dave Gamret

Happy New Year to all our JCOP members!! We look forward to 2022 with anticipation to resume some semblance of our usual calendar of activities to further our enjoyment as happy Jaguar enthusiasts. Covid has been a persistent deterrent for the past two years, yet we have managed to gather for a few events each year and maintain the social interaction and driving pleasure our club can provide. Even with vaccines, boosters, pills and interaction guidelines we will still face challenges in the coming year to engage in a full complement of activities with our cars and fellow members. Using appropriate caution and care, together we can make it happen in 2022.

Last month we took a look back at 2021 and noted all the accomplishments we achieved as a club. This month, I'd like to outline some of the objectives we hope to implement going forward this year. We need your help as always to contribute the ideas, time and energy that will enable us to continually improve our club and the camaraderie we share with our cars and members.

Membership: Our goal every year is to increase our active membership. All car clubs are facing the same issues as life in the 21st century places increased demands on our time and interests. We've had modest success with our Complimentary Membership program through our dealer partners but perhaps we can do more as members to increase our numbers. We have brochures to share with Jaguar owners we encounter so let's try and be a bit more proactive in distributing them. As always, any new ideas for bringing new members to the club are always welcome. Don't be shy about sharing them with the Board and we can help with implementation. I ask everyone to actively recruit anyone you know who shares our enthusiasm for the Jaguar brand.

Activities: We managed to conduct a few of our traditional outings in 2021 and, despite the ongoing uncertainty of Covid, we hope to be able to increase the number of events this year. Mainstays like the US Steel Plaza and Sewickley shows appear to be casualties of Covid and other factors so we need to investigate alternative venues to display our cars in a welcome atmosphere. The British Cars at Hartwood show was canceled due to a construction project in 2021. However, we are investigating the feasibility of reviving that event for this year. But what we really need are your ideas for some new events to bring more variety and excitement to our gatherings. For example, we gave Topgolf a shot last year as an outing purely for fun that had nothing to do with Jaguars. If you have a suggestion, just contact any member of the Board. Let's all try and think outside the gearbox for 2022 and get together for some good times.

Concours: This is plain and simple. Let's get more of our cars to participate in our Concours. It's our only event that is sanctioned by JCNA and showcases our club on a regional and national level. It's already on our calendar so start planning now to attend and support the efforts of Bryan Williams and his team for an event that JCOP can be proud of.

Social Media: Bear with me here because I may not know what I'm talking about. What I do know is that JCNA is investigating ways to optimize the various social media platforms to aid in communication and recruitment for the national club. We'll follow their progress to see what benefits may accrue to JCOP. Some regional clubs are active on Facebook. If there is anyone out there that is interested in studying the creation of any JCOP accounts on social media please contact the Board and let's start the discussion. I am not on Facebook but I do recognize that it could be a very useful tool for attracting younger Jaguar owners and enhancing casual communication among us "tenured" members. Let's at least take a look at social media for our club in 2022.

Those are the areas where I hope we can make some progress in the coming year. The fun we have together as a club is only limited by the collective imagination and enthusiasm of our membership. We took some big steps forward in 2021 despite the pandemic. Let's make some even bigger strides in 2022.

Dave

Jaguar Club of Pittsburgh Membership Matters

By Jack Terrick
JCOP Treasurer

As many of you have probably noticed, the application / renewal form for the JCOP for 2022 reflects an increase in dues from \$45 to \$50. This came about since the JCNA recently increased their yearly dues from \$30 to \$40. The JCOP board of directors decided to absorb half of that increase by reducing the JCOP portion of dues from \$15 to \$10.

If you are a member of another JCNA club and pay your annual dues to that club, your dues to maintain membership in the JCOP for 2022 are \$10. Just provide me with your JCNA membership number when sending your check. As usual, dues must be submitted to JCNA at the beginning of February, so please don't put off getting your renewal check in. And thank you to those who have already sent it.
