

2026 International Jaguar Festival

The Jaguar Club of Pittsburgh and the Pittsburgh Vintage Grand Prix welcome you to the 2026 International Jaguar Festival, embedded into the PVGP. We are sure you will agree the IJF events and selected venues offer beautiful and exciting settings along with top-shelf functional amenities. The PVGP raises funds to benefit those with intellectual disabilities and autism.

Pittsburgh has a rich history including where the French & Indian War started and morphed into being the North American theatre of the global imperial conflict known as the Seven Years War, which many historians treat as the real first world war. Pittsburgh became the original "Gateway to the West" for the United States of America (where Lewis and Clark began their famous expedition) and later became the "Arsenal of Democracy" during World Wars I & II. Now Pittsburgh - while retaining steel mills and other manufacturing - is recognized for its educational institutions and world-class medical facilities. Schenley Park, the location of our Friday night IJF Dinner with Ian Callum and our Saturday car show, is adjacent to Carnegie Mellon University and the University of Pittsburgh, each of which is recognized around the world in many fields.

Those coming to the IJF from around the world are what drives this event and we hope that you have an enjoyable and memorable experience. The area where the DoubleTree by Hilton Pittsburgh-Cranberry Hotel is located is surrounded by a bevy of restaurants, stores, and suppliers of a wide variety. Throughout the weekend, don't hesitate to ask anyone wearing a green IJF Committee shirt any question you have or feel free to reach out to me, as so many of you have already done.

For your convenience, the following is a summary of information about the festival. Access the [Jaguar Club of Pittsburgh IJF webpage](#) and click the red Information & Updates ribbon at the top for directions to the IJF events and more. Again, should you have any questions during your stay, please feel free to call, text, or email me at (412) 491-1586, stubenson3@gmail.com.

Welcome to the 2026 International Jaguar Festival!
