MARCH 2020

## JCOP Steps Into Spring with Social and 2 Tech Sessions

By Don Johnson

OK, so last year it snowed so we will try it again. On Thursday, March 19, join the club as we gather at the Spoonwood Brewing Company, 5981 Baptist Road, Pittsburgh, PA 15236 (Bethel Park) from 5 until 7 p.m. as we welcome Daylight Saving Time and Spring with Pizza and finely crafted beer.

Let's talk Jags and what's coming up this season. Our cats have rested all winter long and need the exercise (weather permitting). I for one would like to learn more about Top Golf, a new event this year. For directions call Don at 412-653-5796 or [dajohnson49@verizon.net](mailto:dajohnson49@verizon.net). This is not a formal dinner, just a social get together.

**Tech Session on Saturday, April 4 Features Member's Collection of Cool Cars and Motorcycles. See page 9 in this issue for more details.**

## Fowler Automotive Street & Track

By Stu Benson

Come one, come all to a great tech session the morning of Saturday, May 2, 2020 at Fowler Automotive Street and Track ( FAST Company) hosted by Dan Fowler, one of the newest members of JCOP. This is a "command performance" event, free to all members and prospective members, such that everyone who comes will walk away most happy they made the effort to attend.

In addition to being able to experience the unique FAST Company environment, arrangements have been made to have two of the top automotive detailers in the country, from Meguiar's, demonstrate how to clean, polish, "wax" and otherwise detail a car. Led by Dan Yaworski – who is not only as good a detailer as exists in the US but who has trained many of the best detailers in the country – we will get to watch Dan and the other Meguiar's rep show us how to attend to any number of issues and questions we have that arise regarding making one's car look as good as possible.

They will demonstrate the use of any number of compounds, polishes, sealers, "waxes" (including ceramic coatings) and explain what these terms really mean, show the proper methodology and equipment to properly clean and buff and polish an automotive finish, and answer any questions or address any issues anyone has. They can demonstrate interior detailing as well, if desired.

*Continued on Page 4*

# Jaguar Club of Pittsburgh 2020 Events Calendar

<i>Date</i>	<i>Event</i>	<i>Sponsor</i>
March 19	Spoonwood Brewery 5-7 p.m.	Don & Barb Johnson
April 4	Tech Session at Dan Heit's Garage	Dan Heit (DETAILS ON PAGE 9)

September 10-13	Watkins Glen Trip

# President's Message

By R. Pete Galinowski

The JCOP season has started with dinner at Silvioni's. With the full house it's a great start. I've been a member of the JCOP and met people from all over whose main attachment is a Jaguar Car. Our concours has brought in JCNA members from Canada and many states around Pittsburgh and I enjoyed meeting these JCNA members. I advise you to extend your hand and meet all these members from out of our area. Coming up in the JCOP calendar are two tech sessions, one April 4<sup>th</sup> and then May 6<sup>th</sup>. Don't miss them. (See elsewhere in the Jargon for information on them.)

## The Jaguar Quiz

Question 1 / 10

**The Jaguar F-TYPE Coupé SVR hits 62mph in how many seconds? 3.5,**

Correct, the answer is: 3.5 seconds.

Question 2 / 10

**Who co-founded the Swallow Sidecar Company that evolved into Jaguar? Sir William Jaguar, Sir William Lyons, Sir William Leopard**

Correct, the answer is: Sir William Lyons

Question 3 / 10

**The Jaguar XE claimed which prestigious title? Scottish Car of the year: Best Executive Car, Top Gear 2015: Best Compact Executive Vehicle, Beauty Awards 2016: Most Attractive Saloon**

Correct, the answer is: Scottish Car of the Year: Best Executive Car 2015.

Question 4 / 10

**The 2016 XJ Saloon is available in which configuration(s). Short wheelbase only, Long wheelbase only, Short and Long wheelbase**

Correct, the answer is: Short and long wheelbase.

Question 5 / 10

**Which Jaguar was once the fastest production car in the world? XJ220, XJS, XJR Saloon**

Correct, the answer is: XJ220.

Question 6 / 10

**According to Jaguar, what type of vehicle is its F-PACE? Luxury saloon, Performance sports utility vehicle, Large executive estate**

Correct, the answer is: Performance sports utility vehicle.

Question 7 / 10

**The 2016 Jaguar XF S has which standard feature? 18" alloy wheels, Fabric Seats, Red brake calipers**

Correct, the answer is: Red brake calipers.

Question 8 / 10

**The XJS – in V12 form - had what size engine in its final year? 5.5-litre, 4.2-litre, 6.0-litre**

Correct, the answer is: 6.0-litre.

Question 9 / 10

**The 2016 XE averages how many miles per-gallon in its most efficient form? 55.1 mpg, 75.0 mpg, 68.9 mpg**

Correct, the answer is: 75.0mpg.

Question 10 / 10

**The 2016 Jaguar XJR 5.0 Saloon has how much power? 550PS, 525PS, 400PS**

Correct, the answer is: 550PS.

## May 2 Tech Session

*(Continued from page 1)*

# Fowler Automotive Street & Track

If anyone has a car that they wish to have Dan Yaworski work on in front of us all, that person should contact Stu Benson ([stubenson3@gmail.com](mailto:stubenson3@gmail.com) or 412-491-1586) and we will see if that can be arranged. Similarly, anyone wishing for any particular topic to be addressed in detail, let alone demonstrated, might best contact Stu to allow him to alert Dan Yaworski ahead of time so Dan can plan on doing his best to have the proper vehicle or vehicle part present to demonstrate upon. In all likelihood, Meguiar's will also hand out product to our JCOP members to take home.

The word "unique" often gets over-utilized but it is not an understatement to say that FAST Company is a unique place. Check out the web site. Dan Fowler has a shop that performs mechanical work on almost any kind of car or van or truck but depending on the day/week, one can see almost any kind of vehicles there ranging from top exotics in the world to vintage vehicles, to daily drivers, to almost any kind of Porsche or Jaguar or other marques, to vintage race cars built and/or serviced by Dan Fowler and his staff. A \$10,000 car will be sitting in the bay next to a \$1M car.

In addition to getting the vehicles in mechanical shape to run, FAST Company is also a pit crew that supports many vintage racers at the race track most especially those members of the Hartwood Association of Racing Drivers (HARD) who have been coming to British Cars at Hartwood now for some years and parking as a group down by the trees. The "Best of Show" this past year (the 1912 Rolls Royce Silver Ghost, Rio Des Belger bodied) was a HARD member.

At FAST Company one can normally see any number of vintage race cars and other sports cars that are stored there or happen to be there for service at the time we visit. It is like touring a museum where entire cars, or cars in pieces, can be viewed and analyzed and discussed up close. Dan Fowler and his staff are just amazing mechanics.

He has gotten many of the Jaguars of JCOP members (now including every HARD member who has a Jag) back on the road or running in a top notch fashion. Dan Fowler will likely have a number of Jags for us to view that he can talk about in terms of what he has mechanically restored on these vehicles or address the

modern Jags, one of which Dan drives.

If anyone has any specific thing they would like Dan Fowler to talk about or demonstrate, please let Stu Benson know or contact Dan Fowler ahead of time at the above contact information.

Following the Tech Session, arrangements can be made for the JCOP group to go and have lunch at a local establishment. To do this properly, however, we need to make reservations such that Stu Benson needs to hear from everyone who is coming by Tuesday, April 28, so not only can we plan for the tech session and advise Meguiar's how many JCOPers to plan for but to properly plan for lunch reservations. **Please contact Stu Benson ([stubenson3@gmail.com](mailto:stubenson3@gmail.com) or 412-491-1586) to : (1) advise if you are planning to attend the May 2 Tech Session, and; (2) whether you plan to stay for lunch afterwards.** While the Meguiar's educational session will commence shortly after 10:00 AM, feel free to arrive any time from 9:00 AM on. If anyone can just come for lunch, let Stu know that as well.

### DETAILS:

#### Jaguar Club of Pittsburgh Tech Session

**WHEN: Saturday, May 2, 2020  
9:00/9:30 AM to Noon**

**WHERE: Fowler Automotive Street and Track (FAST Company)  
1201 William Flinn Highway (Route 8)  
Glenshaw, PA 15116

**EVERYBODY SHOULD BRING A CHAIR WITH THEM**

## May 2 Tech Session

*(Continued from page 4)*

# Fowler Automotive Street & Track

**Directions to Fowler Automotive Street and Track (FAST Company)**

**1201 William Flinn Highway (Route 8)**

**Glenshaw, PA 15116**

**Tele: 412-213-3276**

Go to [www.fastcoproductions.com](http://www.fastcoproductions.com) and pull up the map. However, if you are coming from the south up Rt. 8 going North, there is a trick you need to follow since one should avoid turning left into the entrance off of Rt. 8 into the FAST Company driveway since the road is bending left and often cars exceed the speed limit and you want to avoid getting rear ended. So please read the directions below. And if, upon leaving FAST Company, you intend to go north, do not turn left onto Rt. 8 but use the similar trick to get back more safely onto Rt. 8. Both maneuvers are described below in detail.

**Coming from the North:** Go South on Route 8. If you are coming from Exit 39 on the PA Turnpike you have some miles to go. Once anyone gets down through Hampton Township to Shaler Township and sees a Giant Eagle food store and Walgreen's on the right, you are getting closer. At that point keep going south on Rt. 8. You will pass a McTighe's garden center and beer distributor on the right, you will see Three Rivers Harley-Davidson on the right (an orange and black building), and then there will be a stop light and this is close to your turn off so start getting ready to turn to the right. When you come to a black building on the right named Woods Werks BMW/Mini, put on your right turn signal. The road is starting to bend to the right. EAS Roofing will be next on your right and you will TURN RIGHT into the driveway to the south end of EAS Roofing but once you have turned in, stay STRAIGHT and go up the hill and you will arrive at the FAST Company site that is on the hill above EAS Roofing.

**Coming from the South on Rt. 8:** Get to Rt. 8 where it intersects with Rt. 28 to go to Etna. You can come down Rt. 28 South from Exit 48 (Harmarville) on the PA Turnpike or the Highland Park Bridge or you can come North on Rt. 28 from the North Side of Pittsburgh or you can go from upper Lawrenceville/Morningside area of Pittsburgh North over the 62<sup>nd</sup> Street Bridge. Once on Rt. 8 North at Etna, keep going north. At the third stoplight (Saxonburg Boulevard) there is an Eat 'n Park on the right. DO NOT JUST DRIVE NORTH AND TURN LEFT INTO THE DRIVEWAY FOR FAST COMPANY SINCE YOU ARE AT RISK FOR GETTING REAR ENDED AND YOU WILL LIKELY MISS THE TURN AT EAS ROOFING COMPANY SINCE IT IS ON A BEND. INSTEAD, go .9 miles further north from the Eat 'n Park where you will BEAR RIGHT onto Old Butler Plank Road that goes to Pannier Company and will pass East Liberty Electroplating. Before you get to this turnoff onto Old Butler Plank Road you will pass Glenshaw Glass on the left ; you will pass Glenshaw Steel on the right *just before* you bear right onto Old Butler Plank Road.

*Continued on Page 6*

**May 2 Tech Session***(Continued from page 5)***Fowler Automotive Street & Track****Directions to Fowler Automotive Street and Track (FAST Company)****1201 William Flinn Highway (Route 8)****Glenshaw, PA 15116****Tele: 412-213-3276**

Stay on Old Butler Plank Road as it bends to the left and “T’s” out back onto Rt. 8 right across the street from EAS Roofing. Now you can see well to your left and to your right for oncoming traffic. When the road is clear, you will pull across Rt. 8, taking a jog to your left and then to your right into the driveway to the left side of EAS Roofing. Once in the driveway stay STRAIGHT and go up the hill and you will arrive at the FAST Company site that is on the hill above EAS Roofing.

**Leaving FAST COMPANY and wanting to go north on Rt. 8:** Do not turn left out of FAST Company onto Rt. 8. It is a blind turn in terms of seeing cars coming North on Rt. 8 and the cars often are speeding and you don’t want to get hit. Instead, coming out of FAST Company, Turn RIGHT onto Rt. 8 south and immediately get into the left lane. Go just a very short distance (less than 100 yards) and turn LEFT (it is a sharp left turn so swing wide) at the very first turn onto Old Butler Plank Road that is before Glenshaw Steel. This road goes to Pannier Company and will pass East Liberty Electroplating. Stay on Old Butler Plank Road as it bends to the left and “T’s” out back onto Rt. 8 right across the street from EAS Roofing. Now you can see well to your left and to your right for oncoming traffic. When the road is clear, you will turn right onto Rt. 8 and head north, having done an almost 360 degree maneuver that takes less than one minute to enhance your safety.

**Fowler Automotive Street & Track services, repairs, rebuilds and maintains cars for several local race teams that participate in racing events regionally and nationally.**

# A visit to the Coventry Foundation

**By Don Johnson**

As we have done in recent years, we have taken our vacation in February. This year on our way down to Florida we allotted an extra day in Columbia, South Carolina with the sole purpose of visiting the Coventry Foundation's collection of Jaguar heritage items.

Through the efforts of George Camp and Gary Kincel, an impressive collection of rare and irreplaceable items are onsite, including shop manuals and repair notices issued by Jaguar for every model year that Jaguar motor cars were sold in the United States.

The Foundation is now the source for the JCNA tool loan program. For the cost of shipping alone those who repair and maintain their cats have access to Jaguar tools over ten years old. The research area walls are adorned with artwork and a collection of Jaguar models, key fob collections and accessories sold for Jaguars. The Foundation has received several drivable models with historical significance.

George Camp made himself available to open the facility for our visit and to give a view of what is envisioned for the future. Coventry Foundation's West Coast library research center has opened at Classic Showcase Inc. in Oceanside, California, making the Coventry Foundation the most complete source for authenticity through printed materials & actual examples.

George stated that with the use of the social media, many third-party undocumented Jaguar items have sprung up over the years. Fact resources can be made available to those involved in restoration or just needed to settle a question of authenticity. The collection of printed material will not be lent out due to the fragility and irreplaceable nature of the items. They can be copied in part or studied in its entireties on site.

I can foresee that this will be valuable to judges at JCNA Concourses. The JCOP has supported the Coventry Foundation and this visit clearly shows that it is money well spent. Through the efforts of George Camp and Gary Kincel all things Jaguar is now coming under one roof.

## MEMBER NEWS

### April 4 Tech Session Features Member's Car and Motorcycle Collection

JCOP member Dan Heit is opening his garage for a Tech Session on Saturday, April 4 at 10 a.m. at 1221 Montier St., Pittsburgh 15221 (Wilkinsburg). His impressive collection includes an early E-Type Jaguar, Aston Martin Lagonda, Rolls Royce Corniche, Bentley Flying Spur, Ariel Motorcycle and more. Park and enter through the back, Hill Street between Montier and Swissvale. For directions and to RSVP, call Dan at 412-400-9405. Don't miss this opportunity to check out Dan's cool cars and motorcycles !!

### JCNA 62nd Annual General Meeting Harrah's Hotel and Casino Las Vegas, Nevada March 19-22, 2020

#### Hosted by Rocky Mountain Jaguar Club

Only two voting delegates are permitted from each JCNA affiliate club. There is no restriction however on the number of members wishing to attend all related AGM activities.

For details:

[www.jcna.com/annual-general-meetings/2020-annual-general-meeting](http://www.jcna.com/annual-general-meetings/2020-annual-general-meeting)

Harrah's Hotel in the heart of the Las Vegas Strip (in photo at right) is the host hotel for this year's AGM. The weekend will include opportunities to visit some of the sights of Vegas, including the Hollywood Car Museum, Las Vegas Motor Speedway, Hoover Dam tours, and of course, the casinos.

#### ***Editor's Note:***

If you are planning on attending the AGM, please be aware of a message posted on the home page of Jaguar Clubs of North America's website, [www.jcna.com](http://www.jcna.com), on March 5th ...The message says that "JCNA will hold the AGM in Las Vegas as planned but the club leadership is monitoring the coronavirus situation. Check here for updates."

North Central Regional Director Mike Meyer is part of an ongoing discussion by the JCNA Board of Directors concerning the coronavirus and its impact on the AGM. Members that registered will be notified of any changes. JCNA leadership is continuing to monitor the situation.

### Limited Number of the Dewis DVD Filmed During the 2008 Pittsburgh AGM Still Available By Bryan Williams

We still have available a limited number of DVDs featuring the late legendary Jaguar test driver Norman Dewis when he was the keynote speaker at the 2008 JCNA Annual General Meeting (AGM) hosted by the Jaguar Club of Pittsburgh at the Sheraton Station Square.

Mr. Dewis was development engineer for Jaguar Cars from 1952 to 1985 and continued to be a global ambassador for Jaguar Cars throughout his lifetime.

JCOP president Pete Galinowski produced the excellent DVD, which has been reproduced by Joel Turrell of the Susquehanna Valley Jaguar Club for the Jaguar Club of Pittsburgh and made available for purchase. The cost is \$7.95, which includes postage and shipping. Contact Bryan Williams at [allwrite2@aol.com](mailto:allwrite2@aol.com).

## Jaguar Club of Pittsburgh / Jaguar Clubs of North America

### 2020 Renewal / New Member Application

Membership in the Jaguar Club of Pittsburgh includes membership in the national organization, Jaguar Clubs of North America.

**NOTE: The JCOP newsletter, *Jaguar Jargon*, is sent to members via email in PDF format. If you do not have access to email, please indicate below in the space provided and we will make other arrangements to accommodate you.**

The JCNA magazine, *Jaguar Journal*, is mailed on a bi-monthly basis.

# ALLEGHENY REGION of the ROLLS ROYCE OWNERS CLUB IN PARTNERSHIP WITH REGIONAL CAR CLUBS PRESENTS

Sunday, July 12, 2020

A Country Drive to Green Gables and the Mountain Playhouse in Jennerstown PA  
Join us for a leisurely drive through the Laurel Highlands, to the award-winning  
Green Gables Restaurant for lunch and immediately following a matinee at the  
Mountain Playhouse.

## ***Perfect Wedding* by Robin Hawdon**

The cost of the show and lunch is  
\$60.00/person.

Due to the popularity of this show, we have a limit of 40 **front center section** seats for the event. Seats will be assigned on a first come first served basis as determined by your reservation postmark date. **Please order early to guarantee your seats for this fabulous event!**

It's the morning of Bill and Rachel's wedding, but there's just one small problem. Bill woke up in the honeymoon bed next to a stranger and has no idea how she got there or even who she is! With Rachel about to arrive, Bill begs his best man to pretend the stranger is his girlfriend. When the bride's parents arrive and the hotel staff get mixed up in the mistaken identities, it's comedy madness!

<b>Assemble at Irwin Walmart:</b> 915 Mills Drive, North Huntingdon, PA 15642	<b>10:30 AM</b>
<b>Depart Walmart for Driving Tour:</b>	<b>11:00 AM</b>
<b>Arrive at Green Gables:</b> 7712 Somerset Pike, Jennerstown, PA 15547	<b>2:45 PM</b>
<b>Lunch:</b>	<b>1:00 PM</b>
<b>Perfect Wedding:</b>	<b>3:00PM</b>

Driving Tour is 51 miles and will take approximately 1.5 hours.

Enjoy the Lincoln Highway Three Course Luncheon  
at Green Gables Restaurant, which includes:

Iceberg Salad with Italian Dressing  
Chef's Choice of Dessert  
Water, Ice Tea, or Coffee

#### CHOICES FOR LUNCH

## **First Club Dinner Kicks Off the New Year in Grand Style**

Great food with good friends made for an enjoyable night out at our first event of 2020, a dinner at Silvioni's in the North Hills. Special thanks to Pete and Janet Galinowski for making all the arrangements!

**How about that CAKE!  
Yum!**
