JANUARY 2017

2017 Club Calendar is Packed with Road Trips, Special Events

By Candy Williams

Jaguar Club of Pittsburgh Officers and Board members didn't waste any time at the starting line of a new club year at their first board meeting on Wednesday, Jan. 4 at the Eat 'n' Park training room at the Waterfront in Homestead.

After taking some time to energize themselves with coffee, sandwiches and the restaurant's popular salad bar (a personal favorite!), JCOP's leaders were ready to dig into a long list of proposed club events and activities, led by our newly elected president Cecile Canales — with official gavel in hand!

*The take-away from the business meeting was:
It's going to be a very busy and fun year for JCOP members!*

Check out the tentative Club Calendar on page 4 of this issue. You'll find some familiar events and some new offerings as well — some driving tours, dinner meetings to at least 2 new-to-us restaurants, car displays, a return to the Laurel Highlands for dinner/theater at Mountain Playhouse and Green Gables Restaurant, and much more!

Plans are still being finalized by the organizers/chairs of the events and details will be updated in upcoming issues of the Jargon.

Our year will get underway on Saturday, Feb. 25 with a dinner hosted by Don and Barbara Johnson at The South Park Club House. Details are on Page 5.

Before the show and driving season takes off, we'll have time for another members dinner, on Saturday, March 18 at a popular Italian restaurant, DeNunzio's in Monroeville. Chuck and Ellen Pipich are in charge of this event and we'll have more details here next month.

**One more important note:
If you haven't yet paid your 2017
JCOP dues, please contact treasurer
Jack Terrick ...
(His contact info is on page 7.)
You won't want to miss any of the fun
we're planning for 2017.
Happy New Year!**

From My Perspective

By Cecile Canales, President

It is with great pleasure to serve as President of the Jaguar Club of Pittsburgh for 2017. This year I look forward to the many activities that the club has done in the past and hope to involve more members to join and organize future events. I will put forth my best effort to work with you to have a very successful and enjoyable club year.

I became a member of the Jaguar club in 1996, the year Jaguar was the Marque of the Year at the Pittsburgh Vintage Grand Prix. This was the first time my husband, Carl, and I displayed our 1960 Mark IX at the show after we restored it ourselves. Carl repainted the car himself and installed the re-chromed bumpers. We restored the interior by reupholstering and replacing the interior seats, and carpeting and installing a new headliner. We were very pleased with our car, so we joined the Jaguar club. At the Friday night JCOP dinner held at the Sheraton Hotel, I remember the first members to greet us were Don Johnson, then president, and Jack Terrick. They went out of their way to make us feel welcomed into the club and it has been such a great experience ever since. I hope that every member feels a sense of fellowship and friendship as we had then and now.

Thanks to the many members who volunteer their precious time to organize events, shows, drives, tech sessions, dinners and the other club activities. Without your help, we would not enjoy the camaraderie among all the members of the club, along with the joy of driving the Jags. We begin the New Year with a February Members Dinner at the South Park Club House organized by Don Johnson. This will be a great time to chat with old friends and meet new ones, while enjoying a delicious dinner. Let's begin revving this year.

Cecile Canales

JAGUAR SERVICE PROVIDER DIRECTORY

Fellow Jaguar Club of Pittsburgh Members

This is just a friendly reminder that the Service Provider Directory has been up and running on our website. So far, three club members have contributed recommendations to the list. Certainly some of the remaining 105 or so members have dealt with a reputable business that they can share with our club. With winter approaching and the list of garage projects growing, finding the right part or restoration skill will help guarantee that our classics will be ready for spring. If you haven't visited the site yet, check it out at:

Here is a sample entry for a business that rebuilds electrical equipment:

Entries are grouped in categories such as General Parts, General Service, Engine, Body Exterior and Trim, Electrical, etc. as seen above. If you send me the information I will add it to the directory. In order to be included, the supplier must be recommended by a club member who has had a positive experience with that supplier.

To add a supplier to the list, send me the following:

Name, address, phone number, website (if applicable) and contact person (if applicable)

Discounts available to club members and contacts, if any

Providing all this information will enable other club members to find the supplier, ask for any discounts available, know how old the recommendation is, see specific comments and have a fellow member's name to contact with any further questions.

This can be a great resource if we all share our experiences. I look forward to hearing from you.
