Pittsburgh Vintage Grand Prix

2016 MARQUE OF THE YEAR

SEPTEMBER 2016

All of a Sudden ... IT'S FALL!

By Candy Williams

For Jaguar Club of Pittsburgh members, it was a busy summer that ended too soon! From our US Steel Plaza Display, and day trips to Jennerstown and Carlisle, to our Concours and PVGP Mar-que of the Year festivities, and the Sewickley Display and British Cars at Hartwood, which kicked off fall in a big way, we had a lot of warm-weather opportunities to show off our Jags and spend time with friends. Thanks to everyone who gave their time and talents to plan and carry out these events on behalf of our club.

But ... good news! The great times aren't over yet! The fun will continue at our annual Fall Leaf Tour on Saturday, Oct. 15. Pete and Janet Galinowski have a full day planned, which includes a train ride and ample opportunities to enjoy the fall foliage.

If you haven't made your reservations with Pete, you still can join the gang for shopping, sightseeing and a meal. Call Pete at 412-761-4484 ASAP. He will tell you how to sign up for the train ride via credit card by calling on your own since JCOP's reservations are already made. Give Pete a call and he'll explain the details.

A Taste of Autumn at Hartwood; Event Raises Money for Food Banks

By Jack Terrick

The JCOP hosted the annual British Cars at Hartwood show on Sunday, September 25th under beautiful autumn skies. Over 150 cars on the mansion lawn represented the best of British automobile manu-facturing. Models from the 1930s through the 2000s were represented.

Special thanks go to the ladies manning the event tent, Terry Meyers, Pat Terrick, Cathy Mancuso, and Karen Murray. They did a wonderful job in getting the participants checked in.

Show proceeds this year resulted in a total of \$1,800 to be donated to area food banks. Thank you to everyone for your participation of the show making it possible to help the less fortunate in our area.

President's Message

By Bill Cooper

A rather sudden transition to Fall, after all that beautiful summer weather. There are still plenty of great driving days left to be enjoyed.

The annual British Cars at Hartwood show was once again blessed with magnificent weather and a great turnout. The crowd was a bit later in arriving this year than in the past, but almost all were on the field by noon. The new no-voting format seemed to be favorably received as well, with all entrants receiving two commemorative pint glasses in lieu of a shot at an award plaque.

A limited number of awards were provided for "Best of the Decade" and a "Best of Show" based upon the results of a review of the cars by a number of our members. This is a very relaxed show which many participants believe is one of the best events of the season. If you have not attended recently or ever, please try to make it next September. Thanks to Jack & Pat Terrick, Dan & Terry Meyers, Dave and Karen Murray, Jack & Kathy Mancuso, and the many other members who volunteered to help with the planning, logistics, parking, refreshments and other behind-the-scenes activities that make this a very special event.

I hope you will be able to join us on October 15 for the Fall Driving tour. The group will meet at Sheetz on 228 in Cranberry at 10:00 a.m. for the trip north. We are hoping for great weather! If you want to join and have not already made arrangements, please contact Pete Galinowski as soon as possible.

Limited Number of British Cars at Hartwood Commemorative Glasses Available for Purchase

So that everyone could better enjoy the day at JCOP's British Cars at Hartwood event, popular voting and class awards were eliminated. Instead, every registrant received special commemorative glasses, shown in the photo at right. A limited number of these are still available for purchase at two for \$5.00. If you would like to enjoy your next pint in one of these, please contact Jack Terrick at jht66e@comcast.net.

Display of Exceptional Cars in Sewickley

By Chuck Pipich

Both spectators and the proud owners of a variety of impressive automobiles turned out for the Jaguar Club of Pittsburgh's Annual Display of Exceptional Cars held in the picturesque town of Sewickley. Once again, we were graced by beautiful August weather that included plenty of sunshine and blue skies. The Sewickley show is always a very interesting with its diversity of exceptional cars, and this year we once again invited guests from the Rolls Royce Club of Pittsburgh, and guests of a number of Italian cars selected from the Pittsburgh Vintage Grand Prix's "Italian Cortile" in addition to our usual array of Jaguars, Rolls Royces, and Bentleys. The Italian Cortile was represented by Ferrari, Lamborghini, Alfa Romeo, and Fiat. You are encouraged to check out our new "Google Photos" link, <https://goo.gl/photos/3eJRaczSfW9p69G6> It is a safe link, and on that web page, we have a showing of all the pictures that

Dolly Taskey and Chuck Pipich took during the show .. and there are quite a few, many more than we can show you here in the club newsletter. You can click on the first picture, and a slide show will start, or you can just scroll down and see all the pics as a group.

So check it out! Thanks to Dolly

for doing such a great job in setting up the site! If you have pictures that you took, and would like to add them for everyone to see, let Dolly know, you can email her at dollytaskey@embarqmail.com, to make arrangements for submitting your pictures.

Show chairman Chuck Pipich arrived early in the morning, along with President Bill Cooper and committee members Scott Drab and Chuck &

Shirley Roberts, to begin preparations for the day and parking the cars as they rolled into town. Once again our sponsor for the show was Bobby Rahal Jaguar who provided us with two spectacular vehicles to display. (Continued on Page 6)

Display of Exceptional Cars in Sewickley

Skip Allen and Adam Weiss from the Rahal dealership were on hand to show the cars, and answer any technical questions from club members and passersby. I want to thank Patti Linane and the Rahal team for their participation and financial support. Without them this show would not exist.

As always, the hard-working judges did a wonderful job and deserve a great deal of thanks for their dedication, knowledge and attention to judging detail. This year's judges were: Linda Drago, Rick Barkowski, Bill Cooper, Dan Meyers, Carl Canales, Don Taskey, Scott Drab, Wayne Long, Dave Murray, and Paul Grandy and Chief Judge Jim Boffo. Special thanks also go to the planning committee which includes Chuck Pipich, Charlie and Shirley Roberts, Scott Drab, and Gene Daniele. Without their effort and hard work, the show would not have been possible. I also want to thank Dolly Taskey for also taking pictures and setting up the Google Photos page with the photos she and Chuck Pipich took. Finally, I also want to thank the Borough of Sewickley for the use of the venue, and the kind help of Charlie Roberts, Bill Cooper, Chuck Pipich, Scott Drab for directing and parking participants. Thanks also go out to Shirley Roberts and Brenda Cooper for handling the registration table, and a special thanks to Charlie and Shirley Roberts for bringing and setting up the registration tent and supporting food and drink.

The "long suit" of this show is its uniqueness and that it offers a great opportunity to get your car out, while seeing a lot of other great cars and catching up on all the latest "shop talk" and what's really happening among classic cars, and the hobby in general. This year was no exception and I want to personally thank all of you who attended and displayed your cars. I look forward to seeing you and your cars in 2016! Make plans now for next year, as Saturday August 12, 2017 is the tentative date.
