JUNE 2021

## *Hello, Goodbye* New JCOP Website Makes Its Debut

By Dolly Taskey

With great appreciation to Sean Williams for his efforts, we are ready to say goodbye to our club's legacy website. It took a lot of time and patience to write that code well over a decade ago. Then there were the numerous updates and requisite troubleshooting. He graciously persevered even when the hackers came to call. Thank you for all that you did, Sean!

Say hello to our updated site. Note that we are now a dot org rather than a dot com. Be sure to bookmark the new address, and check it out on your mobile devices.

## President's Perspective

By Dave Gamret

Are we finally seeing the light at the end of the tunnel? . . . and it's not an oncoming train. Events that are the lifeblood of our club are proceeding as planned. The update on the JCNA AGM scheduled for Columbia, SC in August is that it will be held with delegates in attendance. As of now, I'm planning on going based on confirmation of the arrangements as one of our two voting delegates. I'll relay the measures to be discussed in a future Jargon as they become available. The International Jaguar Festival in Ft. Myers, FL is also going ahead as noted in last month's Jargon. Please contact any member of the Board if you are planning to attend this major event in October. Always nice to have the Pittsburgh club represented at these national events. Closer to home, our own Dan Heit has invited us to join the Classic Car Club of America on June 13<sup>th</sup> for a tour of his collection and dinner afterwards. When we add this to the Jacksons dinner, the Concours in September and the annual show at Hartwood, we are finally starting to see the return of the driving activities that constitute our normal rota of fun events. We're still optimistic that we can introduce the club to the Topgolf experience before the end of the year and Fred Segal has made significant progress toward celebrating our 50<sup>th</sup> anniversary. More details will follow. Of course all of these gatherings must still comply with any Covid19 restrictions still in effect, but the increasing vaccination rate, the majority of events being outdoors and our own personal precautions for social interaction should enable us to get back on the road again with our Jaguars. We're definitely making progress but we can always add to the schedule. If you have an idea for an event, don't hesitate to contact the Board and we can help you make it a reality.

But wait, there's more! This month will see the launch of the all new Jaguar Club of Pittsburgh website. Dolly Taskey has been working very hard the last few months to bring this to fruition and details are outlined elsewhere in this issue. There are still a few loose ends to be finalized and the website will continue to evolve, but there is plenty to enjoy right now when you click on the link. Concurrent with the new website activation, the revised By-Laws enacted by the Board in March officially take effect on June 1. As you navigate through the website you will be able to peruse the basic structure and operation of our club by entering the Members Only section. There you will not only find the By-Laws, but also the new club policies that outline the Nominating Committee for officers, the election of those officers and the discretionary spending limits on club funds. Having these documents readily available to all members, especially those new to the club, will serve as an excellent reference for any procedural questions that may arise. Dolly has invested a tremendous amount of personal time to create the Members Only section and all the features of the new website for our club. Please take the time to personally thank her when you have the opportunity.

Finally, a big "Thank You" must go out both to Candy Williams for relentlessly soliciting tales of yore for our 50<sup>th</sup> anniversary and to those long-time members and Jaguar owners who have shared their experiences. Everyone has a unique story of how they were captivated by the lure of the Leaper and I hope many of you will contribute your personal journey of Jaguar enjoyment for future issues of the Jargon. You never know. Your tale of agony and ecstasy may just inspire someone to add another cat to their litter.

Dave

**Two Early June Events:**

The Deadline is June 4 for John Putzier's "JCOP Welcome to Summer Food and Furry Friends Cruise" on June 6 and Dan Heit Car Collection Tour on June 13 followed by buffet dinner at Long Vue Country Club.

The following was sent as an E-Blast to JCOP members from Treasurer Jack Terrick:

John Putzier has reorganized the cruise to Keystone Safari for this Sunday, June 6th. Last month's try was rained out, and this week it looks like the weather will be perfect for a drive. Contact John at 724-991-0361 or jputzier1025@gmail.com by this Friday, June 4th if you plan to join. John will need a head count for making lunch arrangements. See (info to follow) for more details.

Also, June 13th is the date for the WPCCCA tour of JCOP member Dan Heit's collection. Note that RSVPs are required by June 4th as well.

After a cool, soggy May, things are certainly looking better. With Covid restrictions loosening or being eliminated entirely, it's time to get back out and enjoy the summer.

## Remembering Hosting JCNA's 50th AGM with Special Guest Speaker Norman Dewis

By Bryan Williams

After attending the Jaguar Club of Pittsburgh's display of Jaguars at Station Square in the early 1980s and talking with Bill Cooper and Alva Chellman, Candy and I joined the club. One of the events that stands out over those years was the club's hosting of JCNA's 2008 Annual General Meeting (AGM).

After seeing the 8-page write up in the Jaguar Journal of our club's efforts at the 2006 Pittsburgh Grand Prix, which featured Jaguar as Marque of the Year, JCNA president Dennis Eynon asked me to have our club host the 2008 AGM. He said he knew we would do an excellent job.

The club's board unanimously approved the project, and this was the start of a year-long preparation for the 50th JCNA AGM. JCOP then president Gary Kincel selected Terry Meyers and Candy Williams as co-chairs of the event. Harry Fuchs and Jack Terrick volunteered for the jobs of registrar and treasurer respectively. After an extensive search of Pittsburgh hotels, the Sheraton at Station Square was selected as the host hotel and conference site. The contract was reviewed by Linda Drago and although it included substantial guarantees for guest room and food purchases, I signed the contract with fingers crossed. Our Friday evening event was a dinner cruise on the Gateway Clipper. Dennis Eynon, with all of his contacts, talked with various vendors that paid for their sponsorship of every event, including the Saturday breakfast, awards banquet, and all the seminars.

The next decision was a turning point in the 50th AGM. The committee had an extensive discussion on whether to invite Jaguar's development engineer and test driver, Norman Dewis. After the word got out that Norman was going to be the keynote speaker, attendance spiked. I had to go back to the Sheraton twice to ask for more rooms.

The food minimum was no longer a concern.

# Remembering Hosting JCNA's 50th AGM with Special Guest Speaker Norman Dewis

**By Bryan Williams**

I had attended other AGMs that had silent auctions which were not only interesting but a money maker for the club. Linda and Mike Fontana volunteered to contact vendors and club members to secure items. They produced the most impressive array of items I have ever seen. They not only had a great volume of items but a wide range from an X-Type key chain to a stained glass window made by club member Harry Fuchs. Mike even convinced the Jaguar Cars representative to “donate” a brake disc for the auction that Mike had Norman autograph. Mike and Linda were responsible for raising a substantial amount of money for the club.

The reason for many people attending the AGM was to listen to Norman and his recollections of his time at Jaguar as chief test driver and development engineer. Candy Williams was the interviewer, armed with prepared questions and questions from the audience. Norman was outstanding. The room was standing-room-only with many audio and video recorders front and center. After an introduction and opening remarks by Gary Kincel, Norman talked about the development of the disc brake, his competition in a C-Type at Le Mans and his “Dash to Geneva” (drive from Coventry to Geneva, Switzerland) in the new E-Type 77 RW. His 1 hour and 45 minute talk was over way too soon. He then took time to autograph his books for fans that purchased them there.

At the awards banquet, JCOP member Robbin Lewis had a slide show of all the winners that were going to be presented with their North American or Regional awards. A photo of their car was shown on a screen behind them as their name was announced. As an extra special touch, the award was presented by JCNA president Dennis Eynon and a handshake by Norman and photo opportunity was available. As outgoing JCNA president, Dennis Eynon was presented with a commemorative plaque produced by club member Alva Chellman. Each delegate received a JCNA 50th anniversary pin compliments of JCOP, a commemorative coffee mug supplied by XKs Unlimited, and a portfolio with a 50th anniversary medalion attached, compliments of Jaguar Cars.

The Jaguar Club of Pittsburgh was responsible for many good memories for the attendees of the Jaguar Clubs of North America's 50th Annual General Meeting. It was also a testament to all the JCOP members' efforts and what this club can accomplish through hard work and everyone dedicated to a common cause.

*Editor's Note: A few CDs of Norman Dewis's presentation at the 50th AGM are still available for the price of \$5. Please contact Bryan Williams if you'd like to purchase one.*

## Coventry Corner

By Stu Benson, JCOP Liaison to the Coventry Foundation

As many members of JCOP are now well aware, the Coventry Foundation was formed some years ago to be the primary source for information and materials related to the heritage of Jaguar Cars in North America. It has been approved by the Internal Revenue Service as an approved Charitable Organization pursuant to Section 501 (c ) (3) of the Internal Revenue Code. Gary Kincel of JCOP is Chairman of the Board of the Coventry Foundation.

As the JCOP Liaison to the Coventry Foundation, since I was to regularly provide information about the foundation to JCOP members as well as receive information from members ( and others) that might be of interest to communicate to the Coventry Foundation, I have been interacting regularly with Gary Kincel. On a cold, but clear April 2, 2021 day, I traveled to White Oak, PA where Gary has a building that he has turned into a beautiful garage and museum for both his passion for his career as a pharmacist as well as where he works on, and stores, his vehicles. While the purpose was to interview Gary for purposes of obtaining information for Jaguar Jargon, the sensory overload of seeing Gary's vehicles and his re-creation of an old time pharmacy was the first (and second and third) order of business to enjoy.

Imagine the surprise of yours truly to find that Gary is in the home stretch of restoring his 1968 Series 1 ½ E-Type OTS. Red with black leather. The mutual surprise to Gary is that my E-Type – which I drove that day – is the same model and year and color car. Gary has done a gorgeous job in his restoration and that fascinated me to see his car up on a lift with the bonnet off and his showing me what he was working on that week. After I could no longer hold my tongue, I had to take Gary outside his door to see my car and of course he was just as surprised to see what I had driven to see him, albeit the “same car” but not restored. And of course, with the 1 ½ Series E-Types it is always interesting to see the particularities of each car. Interestingly, both of our cars were practically identical except for Gary adding a couple little flourishes to his.

While there I saw Gary's 1976 Corvette **(in photo at right)** that he is getting “rehabbed” for the Pittsburgh Vintage Grand Prix show field, his gorgeous 1962 Chevy Impala SS, his '88 Jaguar XJS Cabriolet, his '75 TR6, and his 1980 Ferrari 308 GTSi (which he says may well be for sale) which is in super condition. And there were more. Gary maintains all of these vehicles (and he says he has even more in a garage next door where his sister lives) and he is a very capable mechanic. Of course, with his long history of being involved in SCCA racing the fact that he is a more than capable “wrench” should not be any surprise.

*Continued from Page 9*

Also in his garage is the black on black 1956 Jaguar XK140 SE that was donated to the Coventry Foundation by Dr. Gerald Mitchell. Gary is storing the car for now

1980 Ferrari.

Gary's 1962 Chevy Impala SS

until there is a place to exhibit it. The "SE" stands for "Special Equipment" but in actuality that was the Jaguar way of saying in 1956 that the car has an automatic transmission.

Perhaps one day soon JCOP can have a tech session on a Saturday or Sunday at Gary's garage building in White Oak where everyone can enjoy seeing his cars, garage art, old time pharmacy, and by that time the upstairs area that was under construction when yours truly was there will be completed to be an area to relax and talk and enjoy a beer or two or three. In the meantime, please know Gary is up to his elbows in working on his cars and if you see he has dirty fingernails you now know why !

## Pittsburgh Vintage Grand Prix “Back on Track” for July 16-25

The Pittsburgh Vintage Grand Prix is ready to get “Back on Track” after being stalled last year due to the pandemic. The PVGP Historic Races at Pitt Race Complex gets Race Week underway July 16-18 in Beaver County, followed by the Vintage Grand Prix July 24-25 in Schenley Park.

Another highlight, “The Greatest Cars in Racing,” will bring a display and exhibition laps of cars that raced in the Indy 500 to Schenley Park July 24-25 courtesy of Bobby Rahal Auto Group. **For more information about other events, visit [www.pvgp.org/calendar](http://www.pvgp.org/calendar).**

Starting this year, a \$5 entrance fee for spectators 12 and older will be required to enter the gates at the Bob O'Connor Golf Course and the Start/Finish. The contribution can be made at the gate or passes can be purchased online. Park on Flagstaff Hill for \$20 and up to 4 people get in free, with shuttle bus to the show. PVGP benefits the Autism Society of Pittsburgh and Merakey Allegheny Valley School for individuals with autism and intellectual and developmental disabilities.

***JCOP is Celebrating our 50th Anniversary!***

**1971 - 2021**

***Share your memories of good times spent at JCOP events over the years. Send an email to [candywilliams591@gmail.com](mailto:candywilliams591@gmail.com) and include photos of you, your Jaguar(s), and places you've been with fellow club members. We'll share your thoughts and pix in the Jargon!***

***Get Ready to Celebrate in Style at the LeMont!***

JCOP's Fred Segal is in charge of our club's Holiday Party and 50th Anniversary Celebration, which will be held on Sunday, December 12 from noon to 4 p.m. at the LeMont Restaurant, 1114 Grandview Ave. Pittsburgh, Pa. 15211. All are invited to attend the luncheon and party, especially those with memories and memorabilia they wish to share.

Watch for details to follow in the Jargon over the next few months.
