President's Perspective

By Dave Gamret

Lots of activity brewing at JCOP recently so we're going to touch briefly on a number of topics related to events and functions in our club. Let's go.

Summer is almost here and we kicked off the season with a new event tailored to driving our cars to a fun destination. You can read about the details and see all the photos elsewhere in this issue but let me thank Stu Benson and Mike Zappa right here for a fantastic job of organizing our inaugural picnic in North Park. The response was overwhelmingly positive and we're already planning for a repeat next year. This is exactly the type of new idea we're trying to encourage to bring variety and enjoyment to our club.

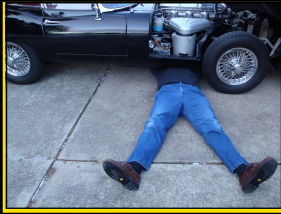

You may recall that Stu and I were privileged to accept the JCNA Website Excellence Award for Dolly Taskey at this year's JCNA Annual General Meeting. But my highlight of the picnic mentioned above was the opportunity to personally present Dolly with the award plaque that she richly deserved. Take a few moments to make another visit to our website and you'll quickly understand why it was deemed the best in JCNA.

We approved a new club policy at our 2nd Quarter Board meeting to outline the process for selecting our club delegates to the JCNA Annual General Meeting. All JCNA members (and you are one based on the portion of our club dues that we have to send them each year) are invited to attend the meeting but each club is only allotted two delegates to vote. If you wish to be one of those voting delegates for the 2023 meeting in San Francisco next March, please submit your name to the President before the end of this year. It's a great opportunity to represent your club and have an active role in deciding the direction of JCNA. The full policy is available for your perusal in the Members section of our website.

Now let's talk a bit about club activities. Our calendar lists some standards such as the Jacksons dinner display in August and tentative plans for a fall color tour and holiday party. We're also excited to announce the return of the popular Sewickley Show in August and preliminary details are outlined elsewhere in this issue. Be prepared for an email this month that will contain the registration form and specifics for the event. We intend to expand the field by inviting the Rolls Royce, Cadillac-LaSalle and Ferrari clubs to join us. Participation will be limited so be sure to respond quickly with your registration. We're hoping this enhanced gathering of classic automobiles will set a new standard for the event and lay the groundwork for continued cooperation with Sewickley.

But wait, there's more! We're in the preliminary planning stage for a number of new club events. Details are sparse at this time but be on the lookout for more information from John Putzier on a driving tour to some antique shops with lunch. Stuart Steinberg is investigating alternatives for a dinner that will transport us back in time to the era of *Gone With The Wind*. And a big "Thank You" to Tom Nuhfer for stepping up to coordinate an opportunity for our veterans to enjoy an afternoon with us and our cars sometime this year.

President's Perspective

By Dave Gamret

These are all great examples of our members willing to try new ideas to expand the repertoire of our Jaguar enjoyment. Please contact any of them if you are interested in helping in any way. I'm sure they would welcome your assistance.

If you managed to read all of my appeal last month you will recall that I was lobbying hard for a Facebook coordinator for our club. Let's give a tip of the hat to Ken Como for volunteering to undertake this endeavor. I'm sure we'll all be anxious to learn what Ken has in store for us as we venture into the abyss of social media.

Finally, if you are a new member, or just one of us who needs to be reminded who we are at times, please visit the Members section of our website. There you can order one of our exquisite name badges from Cecile Canales. These are invaluable for connecting names to familiar faces when we get together and fostering the camaraderie that our club enjoys with friends.

As you can see, there's a lot to look forward to as we finally begin to emerge from the restrictions of the pandemic. Please arrange your schedules to join us for some of the upcoming events that make our club unique. See you there!

Dave

Coventry Corner

By Stu Benson, JCOP Liaison to the Coventry Foundation

As members of JCOP are now well aware, the Coventry Foundation was formed some years ago to be the primary source for information and materials related to the heritage of Jaguar Cars in North America. It has been approved by the Internal Revenue Service as an approved Charitable Organization pursuant to Section 501 (c) (3) of the Internal Revenue Code. Gary Kincel of JCOP is the Chairman of the Board of the Coventry Foundation.

There is a fair amount of exciting news from the Coventry Foundation. Part of it deals with the wonderful symbiotic relationship the Coventry Foundation has with the Pennsylvania College of Technology. We will share some information about the Coventry Foundation endowed scholarship opportunities there, as well as see some of the fruits of this effort where Gary Kincel recently brought back to the foundation an E-Type Coupe the students had worked on for some time. The other newsworthy matter of interest is the ceremony held this past Memorial Day weekend at the Coventry Foundation location in Columbia, SC where Roger Wright donated a Mark II to the Coventry Foundation on the 60th Anniversary of his purchasing the same!

Coventry Foundation Endowed Scholarship

Gary Kincel is proud to share that not long after he and others started the Coventry Foundation, it became clear that one of the primary goals should include a focus on the next generation of enthusiasts. Founding Board of Directors member and past JCNA President Gary Hagopian took on the challenge as his personal project and started considering how the foundation should approach finding and supporting the next generation. It did not take Gary very long to begin considering institutions of higher education and in particular those that provided a degree in auto restoration for the foundation to work with. He eventually found, visited, and proposed that the Coventry Foundation support the Pennsylvania College of Technology with an annual scholarship. It was recommended that this be approached through an endowment that - once paid - would continue to grow in value, and provide a scholarship annually to a student of the restoration program, forever.

Gary Kincel reports, with much appreciation, that the foundation has now completely funded their first endowment so as to provide one student during each of the past 5 years with the Coventry Foundation Scholarship. The most current recipient, Anthony Maguschak has worked hard for over a year on a S3 E-Type Coupe that was donated to the Foundation. Many of the parts for this project were donated by SNG Barratt. Anthony is a young man who has done some great work on the foundation's car, and has had many phone consultations with Coventry President George Camp (George is the "expert's expert" when it comes to any question about repair or operations in any Jaguar vehicle). George was most impressed with Anthony each time they talked. Anthony has already completed his Associate Degree in Automotive Technology and is finishing his certificate program for Auto Restoration. He is from Weatherly PA and is a member of the Weatherly Hill Climb Association and an Eagle Scout.

On Saturday April 23, 2022 Gary Kincel and Amos Kunkle attended the annual car show held on the college campus and picked up the E-Type at the end of the show. *Continued on Page 6*

Coventry Corner

By Stu Benson, JCOP Liaison to the Coventry Foundation

It was a really good day, with Gary and Amos spending time together as well as with the students (as pictured in photographs accompanying this article), as well as with others who brought their cars to the show. As always, the campus was very well maintained as are the workshops and classrooms for the various curricula that are taught there. Visiting the college and spending time with students and teachers is always one of the highlights of Gary Kincel's year.

Gary Hagopian is already working on the next scholarship endowment, reviewing restoration programs at schools around the country. It should be noted that Gary Hagopian is also a Vintage Race Car Driver and participated in this year's Sebring vintage races, along with JCOP's own Jim Dolan.

Ceremony at the Coventry Foundation to Accept Roger Wright's Donation

The second matter being reported on in this month's article is the wonderful donation to the Coventry Foundation from Roger Wright and the special celebration event held on Saturday, May 28 at the Coventry Foundation location in Columbia, SC regarding the donation. The Coventry Foundation has enjoyed generous donations from across North America. This Memorial Day Weekend they received a very special one..... Roger Wright's beloved 1961 Mark II he had owned for sixty years. Remaining almost original, it has traversed America eight times. He kept a log book with dates and mileage of every single gallon of gas this vehicle has consumed in the last sixty years.

Roger appeared on the foundation's radar screen in 2018, when he was only 86. He had driven alone from Connecticut, by way of Montreal, to Santa Barbara for the third annual International Jaguar Festival. He had virtually no competition for the first annual Coventry Foundation Founders Award. Roger has more recently driven the car from south Florida to Maine.

Roger donated his beloved treasure to the Coventry Foundation May 28, 2022. There was a dedication ceremony and a party at Foundation headquarters in Columbia, SC on what Gary Kincel reports was a day of gorgeous weather. Several Jaguar clubs from nearby states attended including

from Georgia, South Carolina, North Carolina and also the Jaguar Club of Florida. All of them, and their members, continued their loyal support of the Coventry Foundation with a super showing. The Carolina Club caravanned to Columbia and they also celebrated the life of Jerry Ellison, a dedicated Carolina Club and JCNA member. The South Carolina club and the North Georgia club were also well represented.

Coming next month: The story – involving Jack Terrick, Andy Terrick, and Gary Kincel - of “The Leaper” from JLR obtained in New York and now taken to Columbia, SC for display.

THE FIRST – HOPEFULLY, ANNUAL - JCOP PICNIC

By Stu Benson

Mike Zappa had an idea. Actually, Mike has lots of ideas, all the time, seemingly continually. Mike suggested to the Board of Directors at its meeting of January 26, 2022 that the Jaguar Club of Pittsburgh should have a picnic. The Directors were in favor of the idea and assigned Mike to investigate locations, price, food, and other of the many items necessary for such a function to be successful. Stu Benson volunteered to help Mike and they, along with Beth Zappa and Ruth Benson, became the “JCOP Picnic Committee”.

After the four of them met and came up with many ideas and assignments with which needed investigation, the first item of business was obtaining a location that was accessible by all, with level and good parking for our cars, with running-water rest rooms, and not too expensive as well as availability on a Sunday afternoon. After not-insignificant effort of Mike and Stu visiting the North Park Administrative Office on multiple occasions and being offered keys for any number of enclosed facilities they investigated as well as Mike and Stu visiting many “Shelters” with roofs but open to picnic air and views, the Committee quickly determined the availability of open dates was limited due to a backlog of COVID-delayed functions, as well as weddings and graduation parties this spring and summer. In caucusing with President Dave Gamret, It was decided to take the location of Roosevelt Shelter in North Park for the one date available in May, 2022 being May 22. President Dave did not want to push the picnic back further into the year to ensure it did not conflict with other JCOP-sanctioned and related events.

With the support of the Board of Directors approving a proposed budget and agreeing to subsidize a reasonable cost to “hold the line” at \$10 per adult and no charge for children, we had a picnic. Indeed, more than 50 JCOP members and family members and guests attended and had a great time with an excellent picnic-type menu as well as a most engaging magician (Luke Robertson), who performed ‘up close magic’ (being card tricks and other slight-of-hand tricks). And the good news is that the picnic came in with a cost not-insubstantially under budget such that the JCOP subsidy did not use up too much of our Treasury balance.

With so many JCOP members in attendance, it provided a wonderful venue for President Dave Gamret to award Dolly Taskey, the JCOP Administrator for our website, with the award Dave and Stu Benson had accepted at the JCNA Annual General Meeting in late March in Milwaukee, being the award for the Best Web Site in any JCNA Club in North America. Not just the United States of America, mind you, but also Canada and Mexico. Dolly tried to hide behind a brick support beam before she was called out to come up and accept the award in front of all, to rapturous applause. We do have the best website and it gets updated all the time by Dolly with more photos, articles and links and more. Go to jaguarclubofpittsburgh.org and see for yourself!

THE FIRST – HOPEFULLY, ANNUAL - JCOP PICNIC

The menu included Potato Salad, Spinach & penne salad with pine nuts and feta, Cucumber and tomato salad, Cole slaw (both traditional and sweet-n-sour), Wild Rice salad w/ dried cranberries and pecans, Pita wrap tray with assorted choices of such as Buffalo chicken & Hot pepper cheese or ham & cheddar cheese, etc., Slider tray with assorted choices of Italian meats and cheese, Turkey and Cheddar Cheese, Roast Beef and Cheddar Cheese, Croissant Tray with assorted choices of Tuna salad, Chicken salad, and Ham salad mini croissant sandwiches, Oven Roast Baked Chicken with herbs, a huge variety of Soft drinks including carbonated drinks as well as home-brewed iced tea, lemonade, and bottles of water. But this was just part of the

treats since members brought a variety of appetizers and in true Pittsburgh wedding fashion, brought a variety of desserts that filled up an entire picnic table. They were all stupendous!

To say the least, no one left the picnic hungry and there was something for every appetite or diet.

THE FIRST – HOPEFULLY, ANNUAL - JCOP PICNIC

The weather forecast was not favorable; indeed, two days and one day ahead of time on the Weather Channel app there were warnings of possible dangerous winds and hail and flooding. By the day of the picnic the weather warning was gone as was even a weather “watch” for dangerous conditions but there was a good chance of some rain. Indeed, about an hour into the picnic we did get a brief thunderstorm but we were under cover and all was well after maybe 7 or 8 minutes. About another hour plus later another storm came through and this time it was indicative of an actual weather front coming over us where the temperature dropped from the mid-70’s to being in the high 50’s with a cold wind and along with some rain. With most of us being attired in short sleeve shirts and shorts, it was the sign for most folks to wrap things up. A hardy band stayed for a while to meet folks coming from the Ferrari Club and Italian Cortile to talk with JCOP members who are involved in planning the **Sewickley Car Show, now that that event is back “on” for Saturday, August 13**. Marc Buzzelli, the Western PA Chapter President of the Ferrari Club, was one of those who came late to our picnic after the second rain came through but since he helped us secure the Sewickley event and, as such, some of his folks will be involved in attending the show as well we all wanted to have this meeting in person now between the groups and the picnic venue was the perfect opportunity.

At the Board of Directors meeting on May 24, the Directors shared their appreciation for the efforts the picnic committee undertook to pull the event off. The Directors asked the committee, indeed, to proceed now to reserve a date in May, 2023 for Roosevelt Shelter for the Second Annual JCOP Picnic. If anyone else wishes to provide feedback or suggestions (or volunteer to be on the Picnic Committee for next year), please contact Stu Benson at 412-491-1586 or stubenson3@gmail.com or Mike Zappa at 412-292-5506 or zappa@bakeryoung.com .

And yes, Mike Zappa (in photo at left with Stu Benson) *has another idea* he has shared with all in attendance at the picnic and your Board of Directors: Having a “prom night” where we all get dressed in our finery and take a dinner cruise on one of the Gateway Clipper boats! Share your feedback with any of the Directors or President Dave. We may just do this event down the road! No one can say Mike & Beth Zappa don’t know how to have a good time and share it with their JCOP friends!

North Central Region Concours Season Is Under Way

By Bryan Williams

The 2022 North Central Region Concours season was kicked off by the Susquehanna Valley Jaguar Club on May 28th at Sunset Lane Park in York, PA. Chief Judge and Concours Chairman Dave Hershey designed a special trophy celebrating SVJC's 15th annual Concours and the 100th year of the Swallow Sidecar Company, the predecessor of the company that produced the car we all enjoy.

Twenty-four Jaguars graced the Sunset Lane Park field. Jaguar Club of Pittsburgh's Terry Smith received a perfect score for his 1967 OTS E-Type in dark blue. North Central Region Director Mike Meyer of the Jaguar Club of Ohio also received a perfect score for his 2019 F-Pace in black, and Tom Inwood, also from JCO, showed his 1973 OTS Azure Blue E-Type.

Pat Geary traveled from Erie, braving the heavy rain storms, in his 1969 red E-Type 2+2. Dave Morgan of the Jaguar Association of Central Ohio showed his 2009 Shadow Gray XKR Portfolio Edition, receiving a perfect score.

The Jaguar Club of Ohio's Concours is scheduled for August 6th at Ursuline College and will include a European Auto Show. The Jaguar Club of Pittsburgh's Concours will be held on Sept. 17th at Fox Chapel Yacht Club. To be eligible for a JCNA Regional Award, you need to compete in two concours in the North Central region. To be eligible for a national award, you must compete in at least three shows regardless of the region for the current year. To find out more about showing your car, go to jcna.com/concours. You can also call Bryan Williams, chief judge, JCOP, at 412-751-2355.

Hope to see you at both the Ohio and Pittsburgh concours.
